Application No. 10/538,309

PRECAUTIONARY SUPPLEMENTAL SUBMISSION OF RESPONSE

Appended hereto, in connection with the captioned application, are copies of (1) an Amendment, (2) a Petition for Extension of Time, and (3) Credit Card Form-2038. These papers are **identical** to papers that were submitted to the USPTO on November 9, 2007, as shown by the Certificates of Mailing thereon.

The reason why they are being resubmitted concerns merely the absence, from the cover pages of the Amendment and the Petition, of the Examiner's identity and the responsible Art Unit identification. Applicant is concerned to ensure that the papers are efficiently delivered, and as a precaution is therefore providing these identical copies.

In a telephone conversation yesterday, Examiner Dang was alerted to this situation.

Applicant earnestly requests that particular **CARE BE EXERCISED** to ensure that the **AUTHORIZATION TO CHARGE** the credit card account of Applicant's attorney **BE EXERCISED ONLY ONCE**. That is, Applicant should like to ensure that **NO DUPLICATE CHARGE** is made in payment of the Petition fee.

Respectfully submitted,  
GREGSON WILLIAM MARTIN SPRING
